MOTION FOR EXTENSION OF TIME

1. The Fidelio Group, Inc. ("Fidelio") hereby requests a further two-week extension, to and including January 17, 1992, of the time within which to respond to the Petition to Deny filed with respect to its above-captioned application by GAF Broadcasting Company, Inc. ("GAF").

2. As the Commission is aware, undersigned counsel was only recently retained by Fidelio to represent it in connection with this application. As a result, counsel first reviewed the GAF Petition to Deny yesterday. While work on Fidelio's Opposition thereto has already begun, counsel believes that, because of pre-existing professional obligations (including a reply brief due to be filed with the United States Court of Appeals for the District of Columbia Circuit on January 8, 1992), two weeks will be necessary to complete Fidelio's Opposition.

3. The modest extension requested will not unduly delay or disrupt the processing of Fidelio's application. To the contrary, the additional time will assist in the identification

and analysis of the various issues adverted to in GAF's Petition, thus providing the Commission's staff with a more useful responsive pleading than might otherwise be possible. In any event, Fidelio's application has yet to be designated for hearing, and it does not appear that a slight two-week extension will adversely affect the Commission, the parties, or the public.

4. Counsel for GAF and the Bureau have been notified of this Motion.

WHEREFORE, for the reasons give, The Fidelio Group, Inc. hereby requests a two-week extension, to and including January 17, 1992, of the time within which to respond to the Petition to Deny filed by GAF Broadcasting Company, Inc.

Respectfully submitted,

/s/ Harry R. Cole
